April 2013

Reedsville Area Garden Club News

The Reedsville Area Garden Club is off to an exciting 2013 year. The club members met recently to make plans for many events this year.

SAT., APRIL 13—will be the first event. The **Garden Show** will be a good opportunity for everyone to celebrate SPRING. The Garden Club, along with the Reedsville Auxiliary and Reedsville Historical Group will be sponsoring the Garden Show. It will begin at 9:00AM—3:00PM at the Historical Building in Reedsville—615 Menasha Street. The admission is FREE! The event will host a Brat/Burger Fry, Bake Sale, Silent Auction, Crafters, Displays, Speakers and much more. The Silent Auction will offer—Golf Package for four at Seven Lakes, Childs Spring/Garden Package, Raspberry Package, Bird/Bird Feeder Package, Garden Packages plus many more. Many gift certificates will also be included. A big variety of crafters will be here—outdoor decorations, spring creative art, paintings/art work, garden items, household items and more. Our displays will be on Wisconsin Native Plants, Wisconsin Birds, and the Honeybee. A variety of speakers will be in attendance too. It will be a great opportunity to meet people, learn new things about nature and enjoy SPRING. Plan now to come and invite your friends too!

The Reedsville Area Garden Club wishes to thank the many people, clubs and businesses that have helped them in the past. Special thanks go to the Reedsville Lions, Lioness, Amvets, Firemen, Sportsmen's Club, Mr. & Mrs. John Vondrachek and Solaris Farm for their donations for 2012. Funds received were used for redesigning and adding to the Reedsville Nature Trail area by the creek. Solaris Farms located North of Reedsville donated many peony/day lily plants for the area. Other funds were used for flower pots and beds around the area. Special thanks go to all the volunteers who helped last year. Now, it's time to beautify our Reedsville Area again. If you are interested in joining the group of Reedsville Gardeners, call 754-4224 and we'll include you in 2013 Gardening Journey. *Come! Help Us! It's Fun!*

From the Village Hall

Cat & Dog Licenses: Unspayed females and unneutered males are \$10.00 each. Spayed females and neutered males are \$5.00 each. You must show proof of a valid rabies shot. **A late fee of \$15.00 shall be assessed per dog or cat for failure to obtain a license by April 1, 2013.**

April Election: There will be a spring election on **Tuesday, April 2nd** for Superintendent of Public Instructions, State Supreme Court, Court of Appeals Judge, District II, Circuit Court Judge, Branch 1, Village President, Village Trustees, and School Board. Polls will be open at the Reedsville Municipal Building, 217 Menasha St., from 7:00 am until 8:00 pm

The Remote Readers have arrived! One of the goals of the Village Board and Utility Dept. is to eliminate estimated water bills. To accomplish this goal in 2013, we need your assistance. Currently, MCO is installing these meters on Wednesday mornings from 8:00 am to 1:00 pm. If that day and times will work for you, please contact the Clerk-Treasurer Office at 754-4371 to schedule an appointment. They will be doing a cross connection inspection at the same time which is a Dept. of Natural Resources requirement.

Cell Phones vs. Land Line Phones: Many people no longer have a land line (Frontier) phone in their homes. Cell phones are used in place of regular phones. If this is the case, please call the Village-Clerk's office at 754-4371 and let us know your phone number. Even if you have a land line phone and a cell phone, it would be helpful to have both phone numbers on file in case of an emergency.

Solid Waste and Recycling Service Reminder: Carts must be placed at least 4' apart or on separate sides of your driveway with the arrow pointing to the street. Failure to do this may result in your carts not being emptied.

Chipping will done the 1st & 3rd Tuesday in the months of April thru October. Clean woody vegetative material no greater than six inches (6") in diameter, and not less than four feet (4') in length can be shredded. Lumber (treated and untreated), skids, and other construction and demolition waste can not be shredded. Place near curb with cut ends facing street. If you are interested in the wood chips, the pile is located near the compost area. **Chipping for April will be April 2nd and 16th.**

Compost: Yard waste such as grass clippings, leaves, and yard & garden waste shall be disposed of by composting the material or leaving it at the Village compost site. Items NOT to be put in the compost are: stumps, roots, shrubs with intact root balls, animal waste, and sod. A sign will be erected by the compost that is ready to be used by the public.

Vehicle Nuisance: It is illegal for any partially dismantled, non-operating, wrecked, junked, unregistered or discarded vehicles to be placed or stored on any public or private property within the Village limits for a period of longer than five (5) days, unless said vehicles are stored within an enclosed building. This ordinance does not apply to property zoned for the sale or repair of vehicles. Having a vehicle behind your garage or under a tarp does not meet the requirement of an enclosed building.

Open Book: The Village of Reedsville Assessment Roll will be available for examination on April 18, 2013 from 4:00 pm to 6:00 pm in the hall of the Reedsville Municipal Building, 217 Menasha Street, Reedsville, WI. To schedule a time to discuss an assessment with the Village Assessor, please contact the Village Clerk/Treasurer at 920-754-4371 during normal business hours.

Recycling Pick-Up: April 12th and 26th.

T-BALL REGISTRATION

Raising awareness of DVT

Deep vein thrombosis (DVT) is a blood clot in a vein deep in the body. With deep-vein thrombosis, clots can break up, travel through the bloodstream and lodge in the lungs (called a pulmonary embolism), leading to severe organ damage and even death. Up to 100,000 people in the U. S. die each year from a pulmonary embolism, according to the Centers for Disease Control and Prevention. Fortunately, most blood clots are preventable and can usually be treated if discovered early. Several factors contribute to clot formation, including:

Slow blood flow, often due to lying or sitting still for an extended period of time
Pooling of blood in a vein, often due to:

- ◆ Immobility
- ◆ Medical conditions
- ◆ Damage to valves in a vein or pressure on the valves, such as during pregnancy

Injury to a blood vessel

Clotting problems

Catheters placed in a vein

Being older than 60, being overweight or obese, having high blood pressure or being a smoker also increases risks. Taking birth-control pills or prescription hormones for menopause symptoms may also increase your risks.

Symptoms of DVT include:

Pain

Swelling of a limb

Tenderness along the vein, especially near the thigh

Warmth

Redness, paleness or blueness of the skin of the impacted limb

Being aware of the dangers of DVT and seeking immediate medical treatment if you suspect something is wrong can help avoid a life-threatening situation. Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call (920) 754-4337.

JOIN US FOR THIS ONCE-A-YEAR, CAN'T-MISS EVENT!

The Rock Garden, 1951 Bond Street, Green Bay, WI

April 20, 2013 9A.M. - 5 P.M.

To register, call NSP - 800-223-8225

Cost is \$35 which includes: Natural Health Workbook, NSP A to Z guide, NSP Quality DVD, & Product Catalog

NSP'S Natural Health Education Series 2013 features something for everyone, whether you're just starting your natural health education, or you've been practicing for years.

Topics to be discussed:

LEARN ABOUT DEPLETION - Many prescription and OTC drugs have been shown to deplete a variety of nutrients that are essential to healthy living by interfering with absorption.

WEIGHT LOSS - Learn about NSP's exclusive weight management formulas and support programs.

CHILDREN'S HEALTH - Find out how to keep your child healthy and well-nourished.

FLOWER ESSENCES & ESSENTIAL OILS - Take home great ideas and recipes.

HERBAL FIRST AID - Learn how to build an herbal first aid kit with natural ingredients for common complaints and issues.

CLEANSING - Find out why it is so important and how it can propel your health plan forward.

HANDS-ON LEARNING - NSP's Natural Health Education Series features hands-on learning! You'll get to touch, smell, taste and practice what you're learning.
