

Reedsville News

August 2010

Notes from the Village Hall

Effective September 1, 2010, residential and business electronics such as computers, monitors, TV and other video display devices, fax machines, DVD and VCR players, printers, and cell phones will be banned from landfills and incineration. Manufacturers are now responsible for collecting and recycling those electronics from households and schools. Computers, computer accessories, televisions, cell phones, and other electronics contain harmful materials including lead, mercury, cadmium, other heavy metals, and chemical flame retardants. When disposed of illegally, these chemicals can leach into the environment where they may affect human and environmental health. These items can be disposed of at the Manitowoc County Recycling Center located at 3000 Basswood Road, Manitowoc, WI for a small fee.

Chipping Dates: August 3rd & 17th

Recycling Pick-Up: August 13th & 27th

Prepare for your vacation beforehand

Here are some health-related travel tips to keep in mind, especially if you are planning to travel abroad:

Before you leave the country, check to see which immunizations may be needed.

Check in with your health care provider, especially if you have a chronic medical condition. Discuss ways to handle any on-going medical conditions that may be affected by travel.

Be sure to bring an adequate amount of all required medications and medical supplies. Keep these items with you in your "carry-on" bag while traveling by air. Leave them in their original containers or packages.

It's a good idea to check the Transportation Security Administration (www.tsa.gov) website for the newest updates on permitted and prohibited items, including medicines that you are allowed to carry onto an airplane.

When traveling to other countries, it may be helpful to carry a letter that is signed and dated by your health care provider on letterhead stationery. This letter should clearly state your need for all prescription medications and any special medical equipment (particularly for syringes if you are diabetic). Otherwise these items may be confiscated at border crossings as suspected contraband or illicit drugs.

Consider carrying a medical alert card or wearing a medical alert bracelet or necklace that clearly identifies your condition.

Taking these simple steps while traveling will help ensure a safe and memorable trip. Bon voyage!

And, don't forget, if you need a physical before school starts, make an appointment early!

Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call 920-754-4337.

An Open Letter to Reedsville Area Residents

As many of you may have noticed, the Reedsville Athletic Association and Reedsville Area Youth Sports organizations, along with a great crew of volunteers have built a new concession stand at the softball diamond.

It has handicap accessible bathrooms, a concession window on each end, a small weather canopy and storage in the "upstairs". The "brick" and vinyl exterior certainly dresses up the facility.

In that light the committee would like to make this facility something to be proud of. The fence is of need of repair, the field needs a new "mix" and the "upstairs needs some finishing off". Hence, we are reaching out to the community to ask for donations to continue to improve the facility. Any monies in excess will go towards the other ball field facilities in the village.

If you would like to donate in your name, or in memory of someone, please send your donation to either Tom Wenzel, 510 Ponderosa Dr., Reedsville, WI 54230, Or Al Dietrich, 412 Ponderosa Rd., Reedsville, WI 54230. Make checks payable to **Reedsville Area Youth Sports**. A sign is up acknowledging previous donations. Future donations will be added to the plaque. This is a tax-deductible donation.

The level of tax-deductible donations are:

Base Hit----\$50-99 Double-----\$100-249 Triple-----\$250-499
 Home Run----\$500 to \$999 Grand Slam----\$1000 +

New Guidelines for the Reedsville News

Due to many submissions after the due date in the past and many ads that are placed running very long, I have had to place some new guidelines on the Reedsville News that I will begin following strictly. The preferred method of submission is email at ragd@reedsville.org.

If you do not have email please submit to the Village Clerk/Treasurer no later than noon on the due date!

All submissions past noon on the due date will be NOT be included in the Reedsville News - NO EXCEPTIONS.

All submissions should run under 225 words, with some exceptions for relevant community information from community organizations. Those submissions over 225 words will be subject to editing or will not be included in the Reedsville News.

The Reedsville News continues to enjoy serving the community. Please follow the adapted guidelines and if you have any questions or concerns please call Carrie at 901-9417 or email ragd@reedsville.org

The next due date for the September Reedsville News is **August 20th**. Please continue with your information about the community and ways to help others grow in our community. Thank you.

The Miracle Worker Upholstery

I would like to take this opportunity to thank those of you from the Reedsville area that have brought your upholstery business to me. It is greatly appreciated. In addition to my stock of fabrics I also carry Greenhouse fabrics. This new fabric company has a full line of vinyls, suedes, microfibers, and tapestries. With the Greenhouse line, I now carry over 8,000 fabrics. Please contact me for your upholstery needs.

Thank you,
