PANTHER BASEBALL NEWS

The Reedsville Panthers finished a great season in 2012 by bringing home a regional championship, but now their sights are set on bringing something greater to their community. A dream baseball field for all to play on. Our field has been in desperate need of attention for a long time and now we are taking action. This fall we will be remodeling the concession stand as well as renovating the field. New fencing will be put up, new foul poles, a warning track and poly cap protection to add safety for our players. We are almost half way to our goal but we need your help! Businesses around the area have been joining in with donations and sponsorships. For your efforts we offer advertisement opportunities on our outfield fences and in our program books given at each home game. If your business is interested in taking its marketing to the next level we offer a 4x6 outfield sign with your logo or business information. For a 1 year rental and for the sign to be made it is a \$500 donation. For a \$1000 donation we would keep your sign up for two years, and for \$2500, your advertisement would stay up for 10 years. We also offer smaller donations for full or half page advertisements in our program book. Those are \$100 for a half page and \$250 for a full page advertisement. Any monetary donation would be greatly appreciated. Lets make Reedsville Baseball, our Community, and YOUR BUSINESS a huge success! For more details or to make a donation please contact Chris Krepline, 920-629-5223 or by email krep25@gmail.com. GO PANTHERS!

RHS Alumni Planning Homecoming Activities

The RHS Alumni Association is planning to honor football players and cheerleaders who have played and cheered 50 or more years ago. We are also planning on honoring Homecoming courts from the same time period.

The first football team played at RHS in 1950. They finished the season with a 5 and 1 record. After that they were co-champs in 1957 and conference champs in 1958 and 1959. In 1959 they were undefeated with an 8 and 0 record.

Letters were sent out inviting the players, cheerleaders and those on court to attend the Homecoming game on Friday night, September 21, 2012, to be recognized during the halftime festivities. Come to the game and reminisce.

The Alumni Association is also helping the Reedsville High School with a project. When the school was remodeled, the ceiling panels and the spotlights were removed. They are starting to replace the spotlights with a little help from us. We are trying to raise a total of \$10,000 to help with the spotlights and a control panel for those lights. We started the fundraiser with our 2011 annual mailing. The response last year was great. We collected over \$2,500 toward our goal. We would like to give a great big THANK YOU to those of you who donated. Hopefully this year we will receive more funds from some more of our generous alumni.

We are asking any class that is celebrating a reunion this year to send us an updated address list. You can send the list to PO Box 431, Reedsville, WI 54230 or send by email to reedsvillealumni@hotmail.com.

We are in need of information on the people listed:

Class of 1953 – William Decker; Class of 1954 – Lonnie Lemberger and Donald Schisel; Class of 1955 – Joann (Jaekels) Kuchelmeister; Class of 1958 – Glenn Fischer and Richard Sheahan; Class of 1960 – John Wallander; Class of 1961 – Barbara (Denk) Middleton and David Wolf; and from the Class of 1963 – Sandra (Burkart) Ranzall.

If you know of a current address or if they are deceased, please mail, email or contact Carol @ (920)754-4783. Thanks for your help.

Friends of St. Patrick, Inc.

The Friends of St. Patrick, Inc. of Maple Grove will celebrate their 20th Anniversary on Sunday, September 9th, 2012. Visitors from around the state and country will attend to reconnect with their Irish ancestors. The historic Irish settlement of the Maple Grove township accounted for over 43% of the Irish in Manitowoc County in the 1880's, and was one of the largest Irish settlements in Wisconsin. Irish families at this time were usually large, averaging 6.3 children for each mother. More than half of the 19th century Maple Grove children came from families with 8-18 children. The St. Patrick's church was the center of the Irish

Community and relied on the services of Belgium, Austrian, Czech and other non-Irish priests for the first 43 years of its existence. Only six of the 24 priests before 1893 were Irish priests, including the 14 year pastorate of Rev. George A. Casey. An analysis of 1,100 Maple Grove Irish settlers, their parents and siblings, shows that the most common surnames of those born before 1848 when the community was founded were; Murphy, Sullivan, O'Brien, Hayes, Morrissey, O'Neil, Kelly, Meehan, Connors, Gill, Cavanaugh, Halloran, Hogan, Maloney, Rolland, Shea, Daley, Fenlon, O'Hearn, Lorrigan, and Mullins. Many of those planning on attending the celebration in September will bear the same surname as those who settled in Maple Grove over 160 years ago. St. Patrick's Church closed as an operating Catholic parish in 2003. The Friends of St. Patrick, Inc. purchased the historic church building, which is now used for wakes, non-catholic weddings, concerts, and other non-catholic services. The celebration on September 9, 2012 will begin with an outside Catholic Mass at 10:30 A.M. an Irish Stew lunch, Hamburgers, Brats, Refreshments, Sweets, Kolache making demonstration and sale, a large silent auction, kids & adult games, old car show, living cemetery tours, narrated bus tours of the area and a visit to an operating Irish dairy farm.

Artist Bob Kellner will be working on the grounds. There will be Irish entertainment throughout the day, including Irish Dancers from De Pere, David Logan from New York City, Michael Murphy, and Harpist Cheryl Murphy, of Green Bay, Bill Clancy, of Greenleaf, bagpiper Peter McGinty from Two Rivers, and The Hussey Family from Brillion. A raffle with monetary prizes of \$500, \$250, \$100, 2-\$50, 2-\$25 will be held with the drawing at 4:00 p.m. September 9th. Winners need not be present. Tickets are available from any member and will also be available on the grounds the day of the picnic. Chairperson for this event is Liz Welch, for questions you may call 920-732-3016, or write to Friends of St. Patrick, Inc. P.O. Box 435 Reedsville, WI 54230

2nd Annual Shoot for Coop

Dear family, friends, and supporters,

Last year, my husband and I lost our beloved son Cooper in a tragic accident. While this has truly been the most difficult year of our lives, we will always be grateful for the time we spent together as a family. Prior to seeing our son for the last time, we are graced to say that he had one last opportunity to bring others happiness by donating four of his organs.

Shortly after our son's passing, Reedsville Sportsman's Club hosted the first annual Shoot for Coop. Through this event, we were able to raise over \$16,000, which was donated to the Organ Donation Network and Playroom of Hope at Children's Hospital of Wisconsin. We are so thankful to each and every one of you who helped us achieve such an accomplishment last year, and hope to again make a difference in the lives of many by hosting the 2nd annual Shoot for Coop. This year's Shoot for Coop will offer a number of different events, including a 50 round lewis shoot, 3-D archery shoot, kids games, silent auctions, engraved gun raffle, other raffles, t-shirts, balloon release, food and refreshments.

We are humbled as the Reedsville Gun Club has excitedly offered to hold the second annual Shoot for Coop. It will be on August 12, 2012 from 10:00 am to 6:00 pm. The proceeds raised will benefit local charities and Children's Hospital of Wisconsin. The families helped will feel their individual circumstances lightened, as was ours, because the love that was shared by so many last year.

This would not be possible without the help of people like you. We would love to see you at this event, and of course, we would be truly honored if you would consider donating to the 2nd annual "Shoot for Coop" anyway that is comfortable for you individually or for your business. Again, thank you for your continued support!

Best wishes,

Sara and Dr. Dan Beaupre

Important information about safely taking over-the-counter pain relievers

Acetaminophen, ibuprofen and other over-the-counter pain relievers are often recommended for people with pain. These drugs can reduce fever and relieve many kinds of mild to moderate pain (backaches, headaches, sprains, arthritis and menstrual cramps.)

Acetaminophen and ibuprofen are generally regarded as safe and effective, having relatively few side effects when properly used. But just because they are widely recommended and regarded as safe, it doesn't mean it is harmless.

Acetaminophen and ibuprofen are active (yet often undetected) ingredients in more than 100 other products - making it easy to take too much of the drug and put your health at serious risk.

Other products that may also contain these include:

- Cough syrups
- Cold and flu products
- Headache medications
- Allergy relief products
- Sinus products/decongestants

Combining any of these medicines (if they contain acetaminophen or ibuprofen) can result in an overdose.

If your health care provider recommends using acetaminophen or ibuprofen, be sure you understand exactly how many pills (and which dosage) you should be taking each day. This applies to both over-the-counter (OTC) and prescription products.

Only take pain reliever, even if they're only over-the-counter, as instructed. Check the Drug Facts label on the product and don't take it longer than 10 days without checking with your provider.

The Food and Drug Administration (FDA) has released recommendations for the use of acetaminophen, specifically limiting the dosage in "combination" products to 325 mg., to reduce the potential for overdose.

The FDA stressed that:

- Severe liver injuries, including cases of acute liver failure resulting in liver transplant and death, have been reported with the improper use of acetaminophen.
- Maximum total daily dose should be 4 grams/day in healthy patients (less in patients who have liver damage).
- Patients should be educated about the importance of reading all prescription and OTC labels to ensure they are not taking multiple acetaminophen-containing products.
- Patients are encouraged not to drink alcohol while on acetaminophen-containing medications.

Studies show that acetaminophen overdose is a leading cause of liver failure in the U.S. More than half of these cases are linked to prescription and OTC products containing acetaminophen.

In summary, here are some guidelines for the safe use of acetaminophen and ibuprofen:

- Do not substitute sustained-release acetaminophen for immediate-release, without adjusting the dosing interval.
- When taking combination medicines (such as cold medicines), read the label closely to determine if acetaminophen or ibuprofen are any of the ingredients. Avoid taking multiple medicines at once that contain these ingredients.
- People who take acetaminophen or ibuprofen and drink three or more alcoholic beverages per day (two for women) may be at higher risk for liver problems. Even if you drink less than this, there may be special considerations regarding your consumption of alcohol and acetaminophen use.

Keep in mind that recommended daily limits and how often a person should be dosed can change. By reading all medication labels carefully and following your health care providers' orders and these guidelines, you should be able to take acetaminophen safely and effectively.

Reedsville Board of Education

Meeting Minutes

Monday June 18, 2012

6:00 p.m.

The regular meeting of the Reedsville School Board of Education was called to order at 6:02 p.m. by Board President John Ebert.

I. Opening:

- A. Roll Call. John Ebert, Todd Cavanaugh, Andrew Maertz, Cory Kiekhaefer and Jeff Deprez.
- B. Additions/ Approval of Agenda. Jeff Deprez requested item F., approval of 1.67% increase for teaching staff, be removed from the consent agenda.
- C. Recognition of Senior Essay Award. Dennis Raabe spoke about the history of the Senior Essay Award and the award amount. Meg Heafy read her essay honoring teacher Mr. Aalsma; Jazmin Solberg and Colton Shamburek honored teacher/coach Bubolz and Victoria Wendt's essay honoring teacher Ms. Weise was read by Superintendent Raabe and the award was accepted by her mother.
- D. The Pledge of Allegiance was led by the award winners.

II. Public Input:

Nancy Eichhorst spoke in opposition to the teacher and support staff handbooks especially the post-retirement benefits. Mary Klimesh spoke about the mill rate being too high and the fact that her assessment has also increased which compounds the problem. Rob Knuth spoke about the handbook, the need to lower the mill rate. He stated that if the rate doesn't go down, he will be moving when his kids graduate. Jerry Korinek asked for a list of the number of students participating in each of the Reedsville sports programs for the past school year. Harry Strother spoke about the Reedsville mill rate at \$13+ with a State average around \$9 and the need for school board members including the two recently elected members, to step up and do what they were elected to do. He also reminded the board that the enrollment was declining which will lead to additional loss of State aid. Dennis Raabe responded to the concerns.

III. Reports:

- A. District Administrator, Dennis Raabe spoke about the need to increase the fund balance. Even though the referendum was partially intended to solve that issue, until this year it has not been accomplished. A report will be available sometime around the end of June and it will report on the increase in the fund balance. Dennis handed out a very preliminary budget that details areas of potential cuts and increases. The report showed an overall reduction of \$233,145 is possible for the upcoming year. Dennis has fielded some calls from parents who are encouraging the school not to discontinue the Student Assurance Services insurance. He also spoke about the fact that last year the school needed to borrow \$900,000 in May and this year \$600,000 had to be borrowed to meet payroll and other immediate expenses.
- B. HS Principal Tony Butturini told everyone that driver's education has begun. He thanked the board for their participation in graduation. Tony congratulated the baseball team on winning the regional championship. Congratulations were also extended to Meg Heafy and Ben Brunner. He also thanked the summer cleaning crew on the great job that they were doing with the High School.
- C. EL/MS Principal Pat Popp reported on the RTI(response to intervention) program designed to give special attention to kids who need help in becoming proficient in reading and mathematics. June 19 the principal from Stevens Point will be at Reedsville to work with staff on developing the Positive Behavior Intervention System. The teachers will be volunteering their time to come in. Pictures of the school garden were available for anyone to look at. Special thanks were extended to Mrs. Nate and Mrs. Geiger and all of the students who participated.
- D. Supervisor of Special Education Tracie Wurm gave the statistics for the Children with Disabilities Program. There are currently

112 students in the program, 107 for school year 2012-13. She highlighted the placement rate of 85%. Tracie also reported on some changes with WKCE testing. The school district received a check for \$15,000 for School Based Services. Year-end reports are being finalized. Tracie also gave a report on the RTI and PBIS implementation.

- E. Maintenance Supervisor Myron Genrich introduced Gary Jahnke from Energy Control and Design Inc. Gary said the chiller that air conditions the elementary and middle school is running at about one half of capacity. A substantial amount of money has already been spent on the unit and he recommends replacement. That cost will be about \$130,000-\$135,000. The board asked Myron to research if grants and programs are available to school districts to help lower the cost of replacing the unit.
 - F. Board Members- No report
- IV. Old Business- None
- V. Consensus Agenda Items.
- A. Approval of the minutes from the May 21, 2012 meeting.
 - B. Approval of adding one new account for the Activity Accounts-Fitness Center. Note the purpose of this new account is fund raising activity.
 - C. Employment Recommendations-Resignations-Katrina Mraz as special Ed aid, Mike Bubolz as cross country coach and Jason Ihlenfeldt as science teacher. Recommend Kyle Korinek as science teacher.
 - D. Approval of IEQ management plan for the Reedsville School District.
 - E. Credit approval requests for Pam Hammel and Denise DeMeyer
 - G. Discussion/Action –Payment of Bills. Jeff asked what the payments labeled transportation parents were for. These were required payment for students who attend out of district schools.

Andrew Maertz made a motion to approve the Consensus Agenda Items. Todd Cavanaugh seconded and the motion carried.

- F. Approval of 1.67% increase for teaching staff. The committee that presented the offer was made up of John Ebert, Andrew Maertz and Dennis Raabe. Jeff Deprez stated that his objection to the raise was that the District could not afford to give raises. Andrew Maertz made a motion to approve the 1.67% raise for the teachers. Cory Kiekhaefer seconded and the motion carried on a roll call vote with Ebert, Cavanaugh, Kiekhaefer and Maertz voting yes. Deprez voted no.

VI. New Business

- A. Approval of switching to a higher deductible for property insurance. The District could save \$3,202 per year by increasing the insurance deductible from \$2,500 to 10,000. The last claim the District had was in 2008. Jeff Deprez moved to approve the higher deductible insurance policy. Andrew Maertz seconded and the motion carried.
- B. Recommendation for approval of compensation package for support staff. Dennis Raabe requested the same percentage increase for the support staff as was approved for the teachers. The 1.67% increase would result in pay increases ranging from 15 to 29 cents per hour. In addition Dennis requested a \$2 increase for a supervisory employee who is working at a rate well below others performing the same job. Jeff Deprez asked if the timing of the pay increases could be delayed so that the final budget figures were available. Dennis Raabe said that the board could delay them if they wanted. John Ebert made a motion to approve the support staff pay increases recommended by Superintendent Raabe. Andrew Maertz seconded. A roll call vote was taken with Ebert, Maertz and Kiekhaefer voting yes. Cavanaugh and Deprez voted no. The motion passed on a 3-2 vote.

VII. Adjourn into Closed Session. Todd Cavanaugh made a motion for the board to adjourn to closed session at 8:05 p.m. John Ebert seconded and the motion carried.

VII. Todd Cavanaugh made a motion to return to open session at 8:18 p.m. Andrew Maertz seconded and the motion carried.

VIII. Todd Cavanaugh made a motion to adjourn the meeting at 8:20 p.m.

BREAK FREE: NATURAL TOOLS FOR OVERCOMING ADDICTIONS BEHAVIORAL ADDICTION

This is the last of the series on addictions which has been taken from the research of Steven Horne RH (AHG). Increasingly, the term addiction is being applied to compulsive behaviors that are not substance related. These include overeating, texting, shopping, gambling, viewing pornography, video and computer gaming. When a behavior manifests itself as a recurring compulsion to engage in a certain activity despite harmful consequences to one's health, mental state or social life, it is addictive. In this kind of addiction, it is the behavior that triggers the release of pleasure chemicals in the brain rather than a substance. Here again, the motivating force is the desire to feel good. One of the problems associated with behavioral addiction is that as the pleasure center of the brain becomes the dominant "hub" of brain activity, other areas of the brain begin to atrophy. This leads to intellectual and emotional imbalance, relationship problems, irrational or even criminal behavior. Behavioral addictions are best broken through a combination of professional counseling, group participation and support, and creating a more generally healthy lifestyle. Nature's Sunshine Products flower essence blend Be Response-Able can help with these behavioral addictions as there may be emotional wounds driving their addiction. In a stress-filled world, it is easy to become addicted to substances and behaviors that make you feel good temporarily. We naturally feel good when we are living a balanced life that includes good nutrition, adequate rest and exercise and satisfying work. The sooner we get help, the sooner we can enjoy personal freedom, mutually rewarding relationships, and a deeply fulfilling, yet balanced life. And with that said, may I add that most importantly, we need to ask God for His help first as we seek to resolve the addictions.
