Spotlight on COPD

Chronic Obstructive Pulmonary Disease (COPD), also known as emphysema and chronic bronchitis, is a very serious disease, and the third leading cause of death in the United States.

The good news is that COPD is often preventable and treatable.

The most important risk factor for COPD is cigarette smoking. Between 80% and 90% of COPD cases are caused by cigarette smoking.

You are more likely to develop COPD as you get older, but this is partly related to the number of years of cigarette smoking.

A history of frequent childhood lung infections increases your risk of developing COPD. Frequent infections can lead to scarring of lung tissues, which reduces their elasticity and can lead to COPD.

COPD is much more common in men than in women, but this may be largely related to the higher rate of smoking among men.

COPD is also more common in whites, despite high rates of smoking among other racial and ethnic groups. This suggests that genetic factors that increase the risk of COPD may be more common in whites than in other racial and ethnic groups.

Chronic exposure to dust, gases, chemicals, and biomass fuels also increase your risk of developing COPD and can worsen symptoms of the disease.

If you have a number of risk factors for COPD, ask your healthcare provider what you can do to reduce your risk.

Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call 920-754-4337.

Adopt-A-Hydrant

The winter months bring a special concern to the Reedsville Fire Department. Winter snowfall with the plowing of snow can often hide fire hydrants under a large amount of snow making them difficult to find quickly. In the event of a fire, firefighters have to locate and shovel out fire hydrants before hooking up to them. Precious time is lost. Please don't let your neighborhood fire hydrant remain "undercover".

The hydrants are normally cleaned out by the Village Street Department, but due to budget and time restraints it can go several days before being cleaned out. We are asking that you help protect yourself and your neighbor by "adopting" the fire hydrant closest to your residence or business and keep it clear of snow.

We need a 3 foot clearance on all sides. When shoveling snow please be aware of vehicle traffic. Do not stand in the street and be careful not to slip and fall out into the roadway.

If you notice a hydrant that needs to be cleaned out, and are unable to "adopt" it, please contact the Village Street Department at 754-4371, so they can take care of it.

Wishing you a Blessed and Safe 2013!

We have a new addition to our program...her name is "Gramma" and she is a 13 year old donkey. Thanks to Jeannie & Brian Glass from Black Creek area who donated her. They also donated our famous "Jubilee" who we lost last year at the age of 39. Gramma is very special and everyone loves her and yes, she can do a very loud "heehaw" when she knows that someone has come in the barn.

On December 9, we had our Christmas Family Gathering for those that take part in the program here at Sunrise. We made Christmas cards for the military and for anyone that has helped us in any way through the year. We appreciate all the kindness that has been bestowed on us by coming forward to be a part of something that is greater than any of us...something that only can be understood by looking to God's loving hand.

May the year of 2013 be a blessing to you..a blessing beyond words..always giving thanks to Him for His provision,

Mary Ellen

NATURAL REMEDIES FOR PET PROBLEMS

When dogs and cats get sick, you can usually use the same herbal remedies that work for people. This is not true, however, for birds or reptiles, which have very different metabolisms. In this article, we will talk about remedies for dogs and cats.

INJURIES AND INFECTIONS

Scratches, bites, cuts, apply SILVER SHIELD GEL topically.
Infections, GOLDENSEAL/ECHINACEA OR SILVER SHIELD LIQUID internally.

PARASITES

ARTEMESIA COMBINATION is a good formula.

VIRUSES

VS-C is very helpful and is also good for bacterial infections.

RESPIRATORY

AL-J is a great blend for respiratory congestion and allergies.
HISTABLOCK is effective for cats and dogs affected by seasonal allergies.

ANXIETY AND STRESS

DISTRESS REMEDY for pain and inflammation and emotional stress.
ADAPTAMAX OR NERVOUS FATIGUE FORMULA for stressed-out pets.

DIGESTIVE PROBLEMS

PROBIOTIC ELEVEN is important to the health of an animal's digestive tract, especially if they have been on antibiotics.
CATNIP AND FENNEL for digestive upset in cats.
INTESTINAL SOOTHE AND BUILD for irritable bowel syndrome in dogs.
LIQUID CHLOROPHYLL will alkalize excess acid, settle digestion and relieve bloating.

JOINTS AND BONES

EVERFLEX for arthritic or muscle pain.

FUR AND SKIN

HSN-W is a formula for healthy hair, skin, nails and bones.
January special - 25% off the retail price of any of these products.

Roman Kugle Memorial Fund

Since the passing of our father, Roman Kugle, on February 18, 2011, our family put aside the memorial donations from friends and family. We wanted to spend time carefully considering what we could do with these funds as a means to honor and pay tribute to our father.

As many of you already know, Roman was born, raised and lived the majority of his life in Reedsville. He was proud to represent Reedsville High School being on the 1946 state championship basketball team. He went on to share his love of basketball by starting the St. Mary's grade school program (part of the Manitowoc County Catholic League) and devoted 17 years to coaching various youth teams.

Our father loved Reedsville equally as much as he loved basketball. With that, we've decided to use the memorial funds to build a full outdoor basketball court on Reedsville Elementary School grounds for use by the entire community. Unfortunately, to accomplish this task, additional funds are needed.

Please join us by honoring our father, and help us give back to the community, through making a donation to the **Roman Kugle Memorial Fund**. You can make your donation at the Reedsville branch of the Denmark State Bank.

On behalf of Roman's family, we thank you for your consideration.
The Kugle Family – Dennis, John, Bill, and Audrey

Holiday Waste Reduction

Americans throw away 25% more trash during the Christmas and New Year's Holiday period than any other time of the year. The extra waste amounts to about 1 million extra tons per week. In fact, 38,000 miles of ribbon alone is thrown out each year, enough to tie a bow around the Earth.

With the trash increase the Manitowoc County Material Recovery Facility's (MRF) production increases. Residents can help the MRF be more productive during the sorting process by not including in their curbside recyclables; foil wrapped paper, cellophane wrapping, ribbons, or bows. Also, make sure boxes are emptied of non-recyclable packing materials.

For questions call 683-4333, or visit www.manitowocrecycles.org.

The MRF is committed to assisting residents and businesses in Manitowoc County with their recycling efforts. Along with recycling information the MRF promotes reducing and reusing. The following is a list of ideas and suggestions that reduce solid waste during the holidays.

- Purchase rechargeable batteries. About 40% of all batteries are purchased during the holiday season.
 - Make your own gifts.
- Give nonmaterial gifts; gift certificates, tickets to events, performances, movies, charitable contributions.
- Don't forget to BYOB (Bring your own Bag) while shopping.
- Oversized gifts; include a big bow, or hide it and have clue cards creating a treasure hunt.
 - Buy recycled gift wrap.
- Avoid disposables when entertaining. If paper products are needed, buy recycled products.

Media – Justin Cavanaugh, recording.

3rd Graders introduced their newspaper, The Connector. They are distributing them to local area businesses. Each issue has a spotlight community member.

Mr. Raabe announced that proper legal notice of the meeting had been given.

3rd Graders led everyone in the Pledge of Allegiance to the Flag.

I. Opening

A. Agenda

The agenda was approved as printed.

Jeff Deprez motioned to move Mr. Butturini’s report up due to his Adult Econ. class. Cory Kiekhaefer seconded the motion.

High School Principal Report

Mr. Tony Butturini reported as follows: 1. Wanda Mueller received a Grant from the WI Beef Council to help purchase materials for her classroom. 2. Included in the packets are requests for youth options. 3. Mr. Aalsma has started a club Making A Difference Adventures Club. There were 40 kids who showed interest in this club. 4. Mr. Sturtz is offering an adult CPR course so far has 18 people registered. 5. Mr. Jaszewski & Mr. Schuh are going to have open shop nights. 6. Mrs. Thomas is doing an Above and Beyond news article in the Brillion News for students who go above and beyond outside of academics and sports. 7. Fall Sports Banquet will be on Tuesday, October 30, 2012, in the high school gym. This year there will be a new award, the Panther Award. This is for someone who had put great effort into the team but wasn’t necessarily the best player on the team.

II. Public Input

Dan Sonnenberg spoke about how the 1st graders painted three fire hydrants in town. Darlene Propson spoke about the Reedsville Alumni Association. Margaret Reichert spoke about the Board Minutes. Harry Struther spoke about wages and statistics & incorrect publication in Brillion News. Joe Schmatz spoke about the changes to the minutes. Jerold Korinek spoke about the shop classes being offered.

III. Reports

A. District Administrator

Mr. Dennis Raabe reported as follows: 1. Our band will be performing at the Two Rivers Holiday Parade. Please make sure to go out and support them. 2. Last year at this time we needed to short term borrow \$850,000. This school year we will not need to do the same.

B. Elem/MS Principal

Mr. Pat Popp reported as follows: 1. School Garden was a great success due to the efforts of Mrs. Nate & Mrs. Geiger. 2. Mrs. Gulley &

Mrs. Brunner put together the scholastic summer reading challenge, which is a summer reading program to keep the kids reading all summer long. 3. Mrs. Spatchek & Mrs. Butturini have trained the elementary staff on the use of the Smart Boards. 4. Get Up & Move was held for the seventh year, with many new activities showcased. There was a great turn out and a great response from those who attended. 5. Middle school volleyball had a great season and did a great job representing our school. 6. A Hansen fundraiser was held and was a huge success resulting in profits of \$8,815. With these profits the hope is to purchase Ipad’s with protective cases and another Smartboard.

C. School Psychologist/Supervisor of Special Education

Dr. Wurm reported as follows: 1. They are working on the Self Assessments for the Special Ed at this time. 2. Child Find Activity was completed. This is the first time we have done it in the fall. Typically this has only been done in the spring. It went well, and they were able to help with some early intervention ideas. 3. Three of our teachers were sent to NVC training through a grant we received. 4. WKCE testing will start next week on Tuesday and run through November 8. 5. Today the school report cards were released. These numbers are a weighted average. Elementary received an 82.2%, Middle School an 76.3% and High School an 71.8%. 6. Update on RTI & PBIS.

D. Myron Genrich - Maintenance Supervisor provided WPS and Integrys handouts. We have been able to make some slight changes which have helped in providing some energy savings.

D. Board Members

Todd Cavanaugh asked if the Fall Sports Banquet would be advertised at all so other members of the community could also attend. John Ebert congratulated everyone on all the good things that are happening around the district.

IV. New Business

A. Andrew Maertz made a motion to approve the 12-13 Budget. John Ebert seconded. The motion carried. All in favor.

B. Andrew Maertz made a motion – The Board certifies that a tax levy of \$3,043,454 for general fund operations, \$1,239,232 for debt service, and \$20,000 for community service, be levied for the operation of the 2012-2013 school year, for a total of \$ 4,298,210.
