June 2012

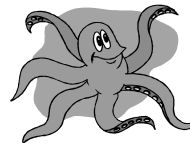

Congratulations Graduates!
Congratulations to all area graduates this year! Best wishes to you all on your future endeavors!

Thank You For Your Support

The spirit of kindness was alive and flourishing on April 12th as you showed your love and concern for the Leroy and Linda Weaver family. The benefit for their daughter Rebekah was a huge success due to your generosity and outpouring of support. The Reedsville Lions Club, along with Dennis and Lynn Behnke would like to thank the friends, family and total strangers that attended this event with open hearts and immense generosity. The community of Reedsville came together in a huge way to make this benefit possible and while we cannot possibly thank each of you individually please know this benefit was a reflection of your hard work, generous and caring hearts, and a willingness to help your neighbor.
With thanksgiving and pride,
The Reedsville Lions Club

HAPPY FATHER'S DAY
REMEMBER YOUR DAD ON JUNE 17TH!

Reedsville Area Garden Club

The Reedsville Area Garden Club members would like to thank all the people who donated plants for our annual plant sale on May 19th. A huge selection was available. There are still some available at The Corner House. Come see the selection. The price is reasonable and the money goes for flowers for Reedsville. We also wish to thank those who worked—fryers, sellers, and customers who came. We appreciate the great turn out. The large cement containers will be planted shortly with a red, yellow and purple color scheme. We again will have extra containers and barrels we will plant for the area. If you wish to "adopt" and water one of the containers, please call 754-4224. The Garden Club members are weeding and planting flower beds and containers. If you wish to help, call 754-4224. Be sure to visit the Nature Trail on Manitowoc Street and enjoy the amazing beauty of the flowers. Sit a while and enjoy!

BREAK FREE: NATURAL TOOLS FOR OVERCOMING ADDICTIONS ALCOHOL

While a moderate amount of alcohol (such as a glass of wine with a meal) doesn't seem to cause serious health problems, excessive alcohol consumption does. Over-consumption of alcohol damages the liver and brain, destroys relationships and can be a factor in traffic accidents. If you are trying to break an addiction to alcohol, you should know that alcohol is converted into sugar in the bloodstream. Thus, it acts very much like a refined carbohydrate. Alcohol is also dehydrating. In fact, most of the effects of a "hangover" are due to low blood sugar and dehydration. So, the first steps to naturally losing the cravings for alcohol are to get properly hydrated and to regulate blood sugar levels. Try drinking two glasses of water everytime you want to drink alcohol and taking supplements that regulate blood sugar levels such as Super Algae and Licorice Root. An excellent formula to aid the recovering alcoholic is Kudzu/St. John's Wort. Studies have shown that it can help control cravings for alcohol. Beer is the most commonly consumed alcoholic beverage. Hops, which is used to make beer, can be taken to reduce cravings for beer, and it provides a similar relaxing effect without the negative problems associated with alcohol. Since the liver works overtime to neutralize alcohol in the blood, excessive consumption of alcohol damages the liver. Milk Thistle can be helpful in healing the liver.

More on addictions next month.

Corner House News

Flowers—Annuals/Perennials & Vegetables—Tomatoes, Peppers, Cucumbers, Watermelon, Onions and more are all still available at the Corner House. A very big selection for your garden beds or patio pots. Come in and see the selection. We also have hanging baskets for sun or shade; small and large. We have potting soil, top soil and fertilizers too. If you wish, we can plant your pots for you. Bring in your containers and we'll be happy to do it for you or buy the plants/soil and do it yourself? The goal for Reedsville is to have at least one large pot of flowers either by your front door area or at the end of your sidewalk this year. We would like flowers everywhere!
