

Reedsville News

MAY 2010

The Reedsville Lioness will once again sponsor the Village Wide Rummage Sale on May 14 & 15.

The Lioness will also sponsor a brat fry both days at the Knights of Columbus building on Manitowoc Street. The profits raised from this event will be used for community projects.

Happy Mother's Day

The Red Poppy on Memorial Day

American Legion Auxiliary members of the Gosz Novak Unit 199 of Reedsville understand the sacrifice our Armed Forces have made to preserve freedom and to honor past and current service members. Members of the Gosz/Novak Unit 199 will wear a red Memorial Poppy, as a symbol of the price of war and the sacrifice of millions, as a sign of their appreciation this Memorial Day weekend.

The 900,000 members of the American Legion Auxiliary, the world's largest women's patriotic service organization, are asking everyone to wear a Poppy on Memorial Day weekend. "Wear it in honor of the millions of Americans who have willingly served our nation, all too many of whom made the ultimate sacrifice", said Jane Kalies, local Auxiliary President. The Poppy also honors Wisconsin's disabled veterans at the Zablocki VA Medical Center in Milwaukee who make the red crepe paper Poppy. Wisconsin's Red Poppies provide financial and therapeutic benefits to these veterans, as well as the thousands of veterans and their families who benefit from the donations collected from the distribution of the Auxiliary Poppy.

In the battlefields of Belgium during World War I, poppies grew wild amid the ravages of war. The overturned soils of battle enabled the poppy seeds to be covered, allowing them to grow and forever serve as a reminder of the bloodshed of war.

Each year the Gosz/Novak Auxiliary Unit chooses a Poppy Princess from their Junior Members. This year the Poppy Princess is, Elly Kasper, daughter of Wade and Kathy Kasper, and granddaughter of member Bonnie O'Connell all are from Reedsville.

Please join Reedsville's American Legion Auxiliary on Friday and Saturday, May 13 and 14, as members distribute Poppies at the Town Mart in Reedsville, and other various businesses in the community. Recognize the sacrifice our veterans have made by making a donation to the poppy fund and by wearing a red Poppy.

Reedsville Heath Fair on May 5th

A Health Fair for members of the public 18 and over is being sponsored by Reedsville High School's FCCLA (Family, Community, and Career Leaders of America) on May 5 from 8:00 to noon in the high school library. A vast array of free information, samples, and prizes will be available.

The event will feature free heart health screenings that include a fasting lipid panel, glucose, body mass index, blood pressure, and personal counseling with a health professional by Calumet Medical Center. Dermatology Associates will conduct skin cancer screenings. Both of these screenings require preregistration by calling the high school office at 754-4341 by April 28.

Many interactive displays will cover topics such as the importance of full body activity by the YMCA, functional movement by Brillion Orthopedic and Spine Care, and exfoliating hand scrubs by His and Hers, Whitelaw.

Presentations by Dermatology Associates from 9:30 - 10:30 and Brillion Orthopedic and Spine from 10:30-11:00 will be held in an adjacent room. No preregistration is required.

Additionally, groups such as the Reedsville First Responders, Manitowoc County Public Health Nurses, Reedsville School Nurse, Holy Family Rehab Plus, 24/7 Fitness of Reedsville, Festival Foods, the Blood Center/Wisconsin Organ Donation, and WEA Trust will sponsor many other educational and interactive displays.

While the fair is geared to adults, Reedsville High School students have also prepared information and will sponsor booths on topics such as stress management, tobacco cessation, and healthy treats.

Bicycle Registration: All bicycles must be registered. To obtain the license, flag down a Village Police Officer. A \$2.00 fee covers a one-time registration.

Curfew: Any person under the age of 18 unaccompanied by a parent or legal guardian may not be out and about between 11:00 PM - 6:00 AM Sunday through Thursday and 12:00 PM - 6:00 AM Friday and Saturday.

Board of Review: The Village of Reedsville will hold its first meeting on May 10, 2011 from 2:00 PM to 4:00 PM, in the hall at the Reedsville Municipal Building, 217 Menasha Street, Reedsville, WI. Please contact the Clerk/Treasurer at 754-4371 for the procedural requirements if you want to appear before the Board.

Vehicle Nuisance: It is illegal for any partially dismantled, non operating, wrecked, junked, unregistered or discarded vehicles to be placed or stored on any public or private property within the Village limits for a period of longer than five (5) days, unless said vehicles are stored within an enclosed building. This ordinance does not apply to property zoned for the sale or repair of vehicles. Having a vehicle behind your garage or under a tarp does not meet the requirement of an enclosed building.

Open Burning/Fire Pits: Controlled burning must be located off the public street pavement or street gutter, must be at least fifteen (15') from any lot line and may not be less than fifteen feet (15') from any building. Only clean wood may be used in fire pits and flames cannot extend more than two feet (2') above the pit. All fires must be monitored by a responsible person until the fire has extinguished itself completely. Persons utilizing and maintaining outdoor fires shall be responsible for any liability resulting from any damage caused by their fire.

Pool Owners: You must fill out the Swimming Pool Discount Application to qualify for the swimming pool discount. No other form of submittal will be accepted. This form can be picked up at the Reedsville Municipal Building Lobby.

Dogs Or Cats: It shall be unlawful to own, harbor, shelter, or keep any dog or cat which runs at large within the limits of the Village. A dog or cat shall be deemed to be running at large when it is on any public street, alley, parks, or other grounds of the Village or any other premises in the Village other than the premises of its owner, his servant, agent or a member of his family of suitable age and discretion unless it is on a durable leash no longer than eight feet (8') or the dog or cat must be under control and within eight feet (8') of its owner, his servant, agent or a member of his family of suitable age and discretion at all times when off the premises of its owner.

Welcome Spring

REEDSVILE FIRE DEPARTMENT

Is spring finally here? With warm weather comes the season of clean up from winter which creates piles of brush that you may want to burn. Or you may want to burn some grass to help wildlife habitats. The Reedsville Fire department will issue burning permits for grass vegetation and clean untreated wood only. We **CAN NOT** issue burning permits to burn plastic, garbage, treated or painted wood or rubber.

In order to fulfill your permit request, we ask that you contact somebody from the list below FIVE days prior to any burning. Failure to do so may result in the inability to obtain a permit.

To request a burning permit please contact one of the following:

Fire Chief	Brad Busse	754-4936
Asst. Chief	Dean Bubolz	754-1127
Asst. Chief	Jeremy Foytik	754-4199
Captain	Todd Maertz	754-4832

Wake up to the signs of Sleep Apnea

Obstructive sleep apnea is a common sleep disorder estimated to affect more than 12 million Americans. The word "apnea" means a pause in breathing.

With this disorder, a person repeatedly stops breathing for short periods of time during sleep. Warning signs include a pattern of loud snoring interrupted by pauses in breathing, with snorts or gasps before breathing resumes.

People suffering from sleep apnea may be completely unaware they have this problem. Family members and bed partners are often the first to recognize it.

Losing weight, managing a nasal allergy or infection, correcting a nasal deformity or removing tonsils and adenoids can help this condition. In severe cases, surgery on the throat and palate may be recommended to reduce excess tissue and widen the air passage.

The most common non-surgical treatment for sleep apnea, however, is nasal Continuous Positive Airway Pressure (CPAP). A CPAP mask fits over the nose during sleep and a mechanical device gently pushes air into the mask and into the airway.

Untreated sleep apnea is associated with a higher risk of potentially serious health problems, such as:

- high blood pressure
- increased risk of heart attack and stroke
- depression and irritability
- erectile dysfunction in men

If you think you or someone you know suffers from obstructive sleep apnea or another sleep disorder, help is available.

Aging & Disability Resource Center

The Aging & Disability Resource Center is looking for a volunteer meal site manager willing to staff the Reedsville Senior meal site and Meals on Wheels program. The meal site is in operation Monday through Friday from approximately 9:00 a.m. – 1:00 p.m. The ADRC is looking for individuals, couples, groups or organizations that may be interested in assisting Senior Citizens through this meal site. Volunteers may take all or any of the days available. Duties include receiving the hot food, preparing the home delivered trays, serving the congregate meal, clean-up, and minimal paperwork. Training will be provided.

The congregate and home delivered meal programs are very important to the community. These programs provide socialization, interaction, nutrition, and in the case of home delivered meals, they make it possible for some seniors to live independently in their community.

For more information about this program, or if you would like to give some time to this worthwhile endeavor, please contact Alyssa Gaedtke, Nutrition Coordinator, at The Aging Resource Center 683-4180.

The Village Pantry

Once again we want to express our appreciation to the community for your support and interest in our business. Something new for May will be made to order deli sandwiches, so come on out and try a fresh sandwich made from your choice of our great selection of meats and cheeses.

We also now carry Lamer's Glass Bottled Milk, which gives you an unmatched fresh flavor.

Amish Wedding Jar Goods are a new item for great tasting side dishes. Included are pickled baby beets, pickled beet eggs, bread and butter pickles, F.R.O.G. jam, and more.

As usual, we have fresh bakery every Friday and Saturday including a variety of pies, cakes, cookies, breads, and more from Country Home Bakery.

At your service,

The Lengachers

THE FRIENDS OF ST. PATRICK

The Friends of St. Patrick will be gathering on Monday evenings in the month of May, at The Heritage House to pray the Rosary starting at 6:30 p.m. Anyone is welcome to attend. The clean-up/workday at the Heritage House, church building and grounds has been rescheduled for Saturday, May 21, 2011, beginning at 9:00a.m. Bring a dish to pass for lunch, refreshments will be served.

Plans are underway for the Friend's Annual Fall Festival to be held on Sunday, September 11, 2011, at their grounds in Maple Grove.

The event will begin with an 11:00 a.m. outdoor mass.

A BRILLIANT BODY

In March, Nature's Sunshine celebrated 39 years at the National Convention in Cancun. They unleashed a tremendous program for having a Brilliant Body.

WHAT IS A BRILLIANT BODY?

A Brilliant Body means having true health, or health at the deepest level. Health you can feel...health you can see. You might even call it cellular health, because lasting health begins by making your foundation strong. If the cells of the body are healthy, your tissues will be healthy. If your tissues are healthy, your organs will be healthy. If your organs are healthy, your systems will be healthy.. and if your systems are healthy, YOU will be healthy.

A Brilliant Body is built on a solid foundation of four key facets:

- CORE HEALTH - including vital nutrition and cleansing
- WEIGHT MANAGEMENT
- ENERGY & FITNESS
- SYSTEMS - a unique approach for solving targeted health issues in the digestive, circulatory, respiratory, urinary, glandular or immune system

HOW DO WE HAVE A BRILLIANT BODY?

Nature's Sunshine has introduced the JumpStart program, which provides optimal nutrition and natural energy that will help you lose or maintain your weight while saving you money. Compare your cost of eating junk food, soda, coffee, and energy drinks, which provide no nutrition to the JumpStart program... now that is BRILLIANT!

May special - 25% off the JumpStart nutritional program or become a member and purchase it at direct cost.

For more information on the JumpStart program (which includes a months supply) or to do a health assessment, contact me at:

A Tribute to Ginger 1991 -2011

This article was written by the Raboine Family who donated Ginger and Amber to the Sunrise Horse Farm.

As many of you know, Sunrise Horse Farm recently lost one of their favorites. Ginger will be greatly missed. Our family will never regret our decision to give Mary Ellen & Becky our girls. We know Ginger will always have a place in everyone's heart for many years to come. We know she made a difference in many of your lives. So the following is how Amber & Ginger made their way to Sunrise Horse Farm.

We were only looking for 1 horse when we started the search for Cassie. In the back of my mind I was worried about her riding alone. So it really made sense to be looking for 2. My husband didn't really see it that way. He saw that it was just going to cost us more.

BUT, it was meant to be. An ad for 2 mares & tack located between Algoma & Kewaunee near the Ahnapee trail. Come to discover that she wanted to sell together. They needed each other. The one didn't like losing sight of the other.

It was a beautiful day when we went out to see them. We saddled them up and went down the road and around the corner. Some cars even buzzed by and they didn't flinch. They were well behaved.

A few days later, I went back with my horsey gal pal and met a vet to check them out. For their age (20), they were in pretty good health and didn't see any major issues. Deal was done. We had some work to do. Barn wasn't quite ready and there was some brush to clear out in the woods. Making sure the fence was secure and work, etc. Oh yeah, we needed to find someone with a trailer!

We brought Ginger & Amber home April 28, 2002. Then it rained off and on for almost a week making a total mess out of the fenced off area we had for them. Yuck! Both of them loved standing out in the rain (and the snow). Ginger's 'barn' name (what she is registered as) was Quasar Bar Punk. They were calling her Punkie. That was changed right away. We had our issues including a couple of escapes. Being out in the country, our property was almost surrounded by farmland. Oh did they love eating out there. The saying about the grass is always greener I think was their mantra. Then there was the day when our next door neighbor was leaving for work and saw one of them in the front yard of another neighbor's house. We discovered their weakness for their oats and would put some in a bucket and give it a good shake. It always seemed to get their attention.

We have some pictures of Cassie and some of her friends hanging out with Amber & Ginger. My favorite would be the one with my older sister, who was visiting from Oregon, and Cassie going out for a ride. My sister was the real horse fanatic in the family. You knew where to find her, in the barn with the horses.

In 2007, Cassie started getting a little too busy and finding the time to properly take care of them was getting harder and harder to find. We weren't sure what to do. Talk about divine intervention. In the paper was this article on the front page describing this horse farm that was just starting up and what their purpose was - helping kids with needs.

We couldn't imagine a better place for them. They would be loved and cared for. Ridden some and hopefully help someone in need of the experience. We knew that with them being so 'bomb proof' that they would be a wonderful addition to their cause. It was a perfect fit.

Who would have thought that they would also find a place in everyone's hearts as well.
