### Does this scene look familiar?

This Reedsville street scene was taken in 1912. Picture postcards were a popular form of communication among family and friends at this time – with postage costing a penny!

### Lion's News

The Reedsville Lion's Club will be one of the tri-sponsors of the Fall Festival being held at the High School on Sunday, November 13<sup>th</sup>. We will have information to be handed out on Lion's Camp, Leader Dog, and diabetes, plus energy saving ideas. Also there will be children games for the young people to play, these games will be monitored by High School students as a service to the community.

Please come and enjoy the day with us.

Also, the Reedsville Lion's Club will be putting up a Nativity set being made by local Amish craftsmen. This Nativity set along with a holiday tree will be on display by Behnke's Country Center on the corner of 6<sup>th</sup> and Manitowoc Street. The Reedsville Lion's Club hopes that this holiday display will remind everyone the "Real Reason for the Christmas Season".

Please consider donating your deer hides from this year's hunting season to the Lion's Hunt for Hides. The money is used for Lion's Camp in Rosholt, WI. Lion's Camp is available at no cost to young people who have blindness, diabetes, autism and cognitive mental disorders. Hides can be dropped off at the Country Visions Hardware Store in Reedsville anytime, there is a barrel outside the door for you to put your deer hides. *Thank you.*

### Remember Veteran's Day, November 11th

Fox & Hounds will have a "Salute to our Vets" buffet for all veterans and their families. There is no charge and includes all veterans. Please try to make it as it is a great time to meet your fellow veterans.

### Senior Citizens Meeting

The meeting for November will be on Tuesday, Nov. 15th at 1:30 p.m. in the Reedsville Manor. New seniors are always welcome to join us.

Thank you to everyone in the Reedsville Community who so generously shared produce with the Reedsville Manor residents.

It was very much appreciated

## A TRIBUTE TO OUR VOLUNTEERS

We have student volunteers that come out during the school year on specific days for 1-3 hours. This is done through the school system and has been very helpful. Last school year we had Julia Joerger and Shawn Schwoerer from the Reedsville School District. And during the summer months we had Marsha & Jason Schwoerer. Hannah Sorenson from Reedsville volunteered at Sunrise as part of her work study in the spring of 2011. Two Rivers High School has had 2-4 students coming out during the past school years for two afternoons a week. They, also have been working on a project to replace some doors in the barn.

This summer we had a schoolteacher from the Kaukauna School District, Cathy Wilda. She volunteered to work with the students one morning or one afternoon each week. We also had Kaitlin Cleven from the Greenleaf area as a volunteer 1-2 times per week. Kaitlin is a student in college and her future will be involved in equine therapy. Some of the projects the volunteers were involved in are throwing down hay and stacking it, mucking out the manure, sweeping the floors, feeding and grooming the horses, cleaning water tanks, pulling weeds, transplanting flowers, cleaning the old granary and moving the tack into it.

This past spring and summer we had a group of people doing a weekend project here at Sunrise. They were from the Madison's Master's Commission, Cornerstone Community Church in Manitowoc and a youth group from Crossroad's Church in Sheboygan. Their projects consisted of pressure washing the mats and floors in the barn, organizing the fencing supplies, landscaping an area, painting the shed. The Madden Family from Cleveland have been volunteering here as a family since January. They are here every Saturday morning to do chores and then to ride Amber if that works into their schedule. Sunrise Horse Farm also had teenagers that needed to do community service hours through the court system for restitution. Hours were varied from cutting lawn, weed-whacking along the fence lines to organizing lumber for other future projects. Kassi Brunner and Val Gengler are new volunteers to Sunrise Horse Farm and are helping with the chores. They were on horseback doing "traffic control" on our road for the Summer Gallop. Angie Schambureck is a volunteer that has been with Sunrise for a few years. While she was unemployed she was able to be here during the day and was a wonderful mentor to the students. Now that she is back at work she still comes twice a week to do chores and is working on a project of doing something special in the old milk house. Brenda Witak and her children have been volunteers here for a few years, also. She and Angie both have a love for horses that is very evident. My daughter, Becky LeBoeuf, is always doing countless tasks to help in whatever area she can. One day we had two autistic boys ages 3 & 4 and with her help the boys had a wonderful time.

We have a retired carpenter from Whitelaw, Jim Kohlbeck, who is working on various projects with a student from Lincoln High School. It warms my heart to see these teenagers learning new skills from someone such as Jim. Some of the students that come here or volunteer do not want to be with the horses and that is fine for there are other things to do.

We do not just work, we have fun, we take breaks. On hot days it may be splashing water at one another out of the water tank, on cold days we may be in the house having hot apple cider and warming up. Or we maybe decorating the barn for Christmas and making cards for the soldiers in Iraq.

So as you can see, Sunrise Horse Farm is a place for different volunteers to put their talents to work. The program here at Sunrise teaches responsibility, a good work ethic and is a place to learn life skills - all with the pleasure of being around the horses.

My sincere thanks to all the volunteers that make Sunrise Horse Farm a very special place.

- Mary Ellen Kiel

## Corner House News

A big selection of yellow daffodil and orange tulip bulbs are available at the Corner House for your planting needs. These bulbs need to be planted now for spring blossoms. Let's brighten up the village and the countryside with this splash of color.

The Corner House is making beautiful fall and Christmas wreaths. The fall wreaths are decorated with leaves, fruit, cones, and more. The Christmas holiday Wreath features deco poly mesh in red, green, brown, or white. These are decorated with fancy ribbon, leaves, and other items for a festive look. Regular fresh fir wreaths will be available too. Call 754-4370 if you wish one made specially for you.

The Corner House will be at the Fall Festival with a big selection of items. Come and view our array of items and make a selection.

Thanksgiving centerpieces, fresh or artificial, will be available for your family gathering. Give one to your hostess for the day.

Christmas poinsettias will arrive soon after Thanksgiving. They come in many colors now. If you need a special color, call early for a good selection.

## Reedsville Lioness Fall News

The Reedsville Lioness are busy with community events for the 2011-2012 year. They are cooperating with the Reedsville Lions and Preservation of St. Mary's organizations to put on the Reedsville Fall Festival to be held on Sunday, November 13th at the Reedsville High School.

It will be a great opportunity for you, your family, and your friends to view a big collection of arts & crafts products that are for sale. A number of vendors will be on hand for your buying needs. The Silent Auction will have a large number of products for your bidding. Items include Packer items, household items, dining opportunities, golfing, sweets for the sweet tooth, beauty items, and scrapbooking packages. More packages are arriving every day. Be sure to check it out at the event. All of these items will make wonderful gifts for Christmas or birthdays. We will also have bucket raffles at the event.

A wonderful Fall lunch will be offered in the commons area of the school. Delicious pizza, soup, bakery and beverages will be for sale. Bring the family for some good food.

Music will be everywhere. Come to hear the Elementary choir and band perform for our enjoyment. Other groups may be joining us too. The Reedsville Lioness will be selling homemade bakery from bars, cookies, cakes, pies, and more. They will also have a Thanksgiving dinner package available. Come visit us at the Fall Festival.

### PURITY, SAFETY AND POTENCY

We recently attended a class with Lynda Hammons, Vice President of Quality Assurance and Regulatory Affairs for Nature's Sunshine Products. She said NSP has quality that is second to none and NSP guarantees every bottle they sell. Over a thousand companies produce or manufacture dietary supplements in the United States today. More than 85% of the brands on the market are made by small, contract manufacturers. They put pretty labels on bottles and sell them to big box stores, warehouse clubs and other companies that sell, but do not make or test --their own products. These sellers are not responsible for their quality. As a result, a lot of poor quality products are on the market.

Lynda and her team travel the globe to audit suppliers firsthand and make sure they are building quality into their entire practice. She has earned a nickname in the industry-The Terminator-because it is very difficult to pass her audits. How would you like to buy your supplements from a supplier that has no hot water in their plant or in their restrooms? That supplier failed the NSP audit. NSP spends millions of dollars every year to offer the highest quality products.

Purity testing guarantees that you get what is on the label and nothing else. What else might you get with lower quality brands? Try dirt, rock or insects, mold, heavy metal, pesticides, herbicides, fungicides and PCB's. Or the wrong part of the plant making the product ineffective, less expensive, but ineffective.

Buy a name you can trust. Nature's Sunshine Products
