## Reedsville Area Senior Citizens

The September Senior Citizens Meeting will be held on Tues., Sept. 18th, 2012 at 1:30 P.M. at the Reedsville Manor. All area seniors are welcome! There will also be a Reedsville Area Senior Citizens Fall Bus Trip on Tues., Oct. 16th leaving the Manor at 11:00 A.M. going to the Riverside Ballroom in Green Bay for a family style chicken dinner and enjoying the 1:30 P.M. show of "Classic Country" by Daddy D Production. Cost is \$50.00 per person. For more information contact Joann Fischer @ 754-4082. Sign up deadline is Sept. 15th. There will be no regular meeting in October because of the fall trip on that day.

Respectfully submitted,  
Carol Bubolz, Secretary

## Attention Residents of the Reedsville School District

*Stock prices up, stock prices down—What is a person to do?*

As an Economics teacher for Reedsville High School for the past 24 years, I understand the difficult nature of understanding what all of this means for consumers, investors, and someone trying to make sense of it all. Therefore, I am offering a course called "The Basics of Economics and Investing". This FREE course is available to any adult in the Reedsville School District who would like to learn some basics about Economics, Supply, Demand, Pricing, and the Stock Market. I cannot guarantee that I will have all the answers or that this will be the secret to making all of those who attend rich. For those who have a limited knowledge of the economy and how it works, you are sure to leave with a better understanding than when you start. The course will meet on Monday evenings from 7:00 to 8:30 PM at the high school. The course will run for 6 weeks with the first class beginning on Monday, October 1st. Please register by completing the form below and return to Reedsville High School by Monday, September 17th. Please call the high school office (754-4341) if you have any questions.

## Friends of St. Patrick, Inc.

The Friends of St. Patrick, Inc. are busily planning a 20<sup>th</sup> anniversary celebration of the first "COME HOME TO MAPLE GROVE" CELEBRATION IN 1992.

The historic Maple Grove community will host the celebration on Sunday, September 9, at the St. Patrick Historic Building (the former St. Patrick church) grounds and Heritage Park at the corner of Hwy G and Taus Road Maple Grove.

This Manitowoc county Irish settlement began in 1848 and grew to over 200 families by 1865. At one time in the 19<sup>th</sup> century the community numbered over 2500 people who traveled to the Irish parish of St. Patrick's for Mass, weddings, funerals, and other important religious and family occasions.

The planning committee has a full day planned for those attending this event.

Prior to an outdoor Mass, beginning at 10:00am, an Irish Harpist, Cheryl Murphy will be performing in the Historic Building.

The Mass offered by Fr. Kevin Ori, will begin at 10:30 and will feature guest soloist, David Logan from Pelhan Manor in New York City, NY. Logan is a descendent of Peter and Jesse Logan who settled in the area as a farmer and blacksmith in the 1860's. The St. Michael's church choir, Whitelaw, under the direction of Dan Rabideau will sing, accompanied by Kate Stodola.

Following the Mass, a tribute will be given to Miki (Hoffman) Gould, who was instrumental in organizing the Friends of St. Patrick and doing a tremendous amount of genealogical work for the Irish community of Maple Grove. Irish Entertainers will be following: Bagpiper Peter McGinty, singer Bill Clancy, Celtic Consort Michael Murphy, Singers & Fiddlers The Hussey Family, Singer Erin Fenlon, and The Irish Dancers. Irish stew, brats, hamburgers & grilled cheese, plus many different refreshments will be available. Besides kolache making and sale, a large bake sale will be offered in the Sisters kitchen (the old convent House). Adult and Kids games and genealogy help will be available in the Historic Building, as well as a large silent auction. Well know artist, Bob Kellner of Manitowoc will be on the grounds throughout the day showing his works and producing more of his Maple Grove pieces.

Bus trips to view ancestral farms and homes in the area, with a stop at the O'Hearn Irish Dairy Farm, is being planned. St. Patrick Cemetery tours will feature 17 individuals reenacting early settlers who are buried in St. Patrick cemetery.

A raffle with \$1000 pay out will be awarded at 4:30 pm. Raffle tickets will be available for sale on the grounds the day of the celebration.

For more information about The Friends of St. Patrick, Inc. and the Sept. 9<sup>th</sup> celebration, you may visit the website @ [sites.google.com/site/friendsofstpatrickincorporated/aboutus](http://sites.google.com/site/friendsofstpatrickincorporated/aboutus), or call Liz Welch chairperson @ 920-732-3016, or write to Friends of St. Patrick, Inc. ## Make the most of your medical appointment

Today, most patients are more informed and actively involved in their medical care. Here are some tips to ensure you get the most out of your next medical visit:

- ◆ When you call for your appointment, tell us all the issues you need to discuss. This will allow us to schedule enough time to discuss the issues.
- ◆ Bring an updated list of the drugs you are currently taking, including over-the-counter drugs and supplements. Have questions written out so if you're nervous, you can remember what you wanted to ask.
- ◆ The nurse should always tell you what is being given and what it's for. If you don't recognize a medication or have questions, please speak up.
- ◆ If you are given new prescriptions upon discharge, be sure to fill them right away and start taking your medications as directed. Having all of your prescriptions filled at the same pharmacy will help avoid adverse drug interactions.
- ◆ Understand your diagnosis. You should be clear on what the plan of care is for you. There may not always be a known diagnosis at the end of your appointment and more testing may be required. If you are not clear on what you are to do, please ask.
- ◆ The easiest way to prevent infection is to insist that everyone washes his or her hands before touching you. If you don't see people doing that in front of you, politely ask if they have.
- ◆ If something you see bothers you or gives you a sense that something is not quite right, speak up.
- ◆ Do your part in caring for yourself as well. Follow the plan. If you're having a problem with a new medication when you get home, don't just stop the medicine, call or visit your health care provider to discuss the problem.

Following these tips will help you make the most out of your next medical appointment.

Denise Brilliant, NP, is a nurse practitioner at Aurora Health Center in Reedsville. To schedule an appointment, call 920-754-4337.

## HABIT OF HEALTH PROGRAM

The average American eats 176lbs. of sugar, 120 orders of fries, 150 pizza slices and 190 candy bars a year. If you and I don't eat that, guess what....someone else is eating more than average. And what is the cost....to your body and to your wallet??? For a month just write down the items you purchase from a fast food place, convenience store, gas station....like coffee, chips, cookies, candy, sweet rolls....items that will not build health....and you will be surprised at the cost.

Then compare that with purchasing health building products. Nature's Sunshine has a plan to build health while reducing your cost. If you spend \$6 a day for 30 days on unhealthy purchases, that will be \$180 a month. The Habit of Health Program will cost you \$107 per month which includes Super Trio (30 packets of antioxidants, vitamins & minerals, and essential fatty acids) and 2 packages of Nature's Harvest (a protein drink). Nature's Harvest contains 13 grams of protein per serving, is certified vegan; dairy-free and lactose-free, contains 49 ingredients with a cost of \$1 per day. Nature's Harvest can be used once a day for a regular part of the Habit of Health or twice a day for weight management.

And NSP is offering Sunshine Rewards which includes free shipping and free product credit each month....ask me about it.

## New Physical Therapist at Orthopedic & Spine Therapy!

Orthopedic & Spine Therapy (OST) of Brillion would like to make you aware of our new services being offered at our clinic. For years OST of Brillion has offered excellent physical therapy for orthopedic and spine populations. Recently with the addition of Heidi Winterhack, MSPT, we are now able to offer vestibular therapy, women's health along with manual physical therapy. Heidi has had extensive training in each specialty and is excited to bring her expertise to the Brillion area.

Heidi is trained in women's health to treat pre- and post-partum, pain during pregnancy, a variety of pelvic pain and incontinence in all ages and populations. In addition, she has a background in treating osteoporosis prevention.

Vestibular treatment can vary from 1-2 sessions for the common diagnosis of BPPV to a few months with labyrinthitis or vestibular neuritis and dizziness after stroke or concussion.

OST has proudly been serving Wisconsin for over 20 years, and specializes in outpatient manual physical therapy. With 15 locations and 5 divisions of care, we are large enough to meet your needs, yet small enough to ensure that you see the same physical therapist at every appointment.

We accept all insurance plans, and offer free screenings at any one of our clinics.

Heidi is currently accepting new patients. To schedule your appointment, please call her at our Brillion location at 920-756-9340. For more information about Heidi, visit [www.ostpt.com](http://www.ostpt.com).

We look forward to the opportunity to work with you with these issues.

### Attention Reedsville School District Parents

Parents have the opportunity to enroll their child(ren) in a voluntary student accident insurance program through Student Assurance Services. The insurance will cover your child per terms outlined in a brochure that district parents should have received. More enrollment forms are available in the school office. Various coverages available include full-time, school time, or extended dental coverage. Families with no health insurance and families with policies having deductibles or co-pays should consider buying this insurance.

The school district no longer carries accident insurance for individual student accidents in school. Beginning in the 2013-2014 school year, the school will no longer carry accident insurance for athletic accidents.

## **PANTHER BASEBALL NEWS**

The Reedsville Panthers finished a great season in 2012 by bringing home a regional championship, but now their sights are set on bringing something greater to their community. A dream baseball field for all to play on. Our field has been in desperate need of attention for a long time and now we are taking action. This fall we will be remodeling the concession stand as well as renovating the field. New fencing will be put up, new foul poles, a warning track and poly cap protection to add safety for our players. We are over half way to our goal but we need your help! Businesses around the area have been joining in with donations and sponsorships. For your efforts we offer advertisement opportunities on our outfield fences and in our program books given at each home game. If your business is interested in taking its marketing to the next level we offer a 4x6 outfield sign with your logo or business information. For a 1 year rental and for the sign to be made it is a \$500 donation. For a \$700 donation we would keep your sign up for two years, and for \$2500, your advertisement would stay up for 10 years. After the initial contract it would be an annual fee of \$250 to keep your advertisement sign on the fence. We also offer smaller donations for full or half page advertisements in our program book. Those are \$100 for a half page and \$250 for a full page advertisement. Any monetary donation would be greatly appreciated. Lets make Reedsville Baseball, our Community, and YOUR BUSINESS a huge success! For more details or to make a donation please contact Chris Krepline, 920-629-5223 or by email [krep25@gmail.com](mailto:krep25@gmail.com).
