Due to lack of volunteers, there will not be a Summer Gallop.

We would like to say a very sincere THANK YOU to everyone that has had a part in our annual fundraiser which we have held for several years: to all the visitors that came to enjoy the day, to the vendors that gave so graciously of their time, to all the volunteers that did countless tasks before, during and after the Summer Gallop, to everyone that donated items for the raffle or food for the food stand, to the musicians that provided Christian music throughout the day, and to everyone that gave a charitable donation to support our program here at Sunrise Horse Farm.

With summer approaching there have been many calls for other people interested in being a participant in our equine therapy session so please check your schedule and give us a call or send an email to be part of what is going on here at Sunrise.

No experience with horses? That is fine as there are many other tasks to do. Again, thank you to everyone that has been a part of the Summer Gallop. We appreciate your kindness and could not have done it without you.

Blessings to you.

Reedsville Area Garden Club

Yes, Spring will come! The Garden Club is planning for our flower gardens now. The containers and flower beds will be filled as soon as the weather allows. We welcome volunteers to help us with the effort. Call 754-4224 if you are willing to help.

If you are dividing some of your perennials this spring and have extras you wish to donate to the Garden Club, please think of us. We pot them for resale for additional income for our group. The funds help us buy plants needed in our area. Some plants are planted in community flower beds.

We hope people in the village and surrounding areas plant flowers to beautify our area. An effort is being made to have homeowners or renters have at least one flower patio pot by their sidewalk or driveway.
